STAT

Acting Deputy Director for Legislation
Office of Congressional Affairs

SUBJECT: Intelligence Authorization Bill

1. Attached for your information is a copy of H.R. 2748, the "Intelligence Authorization Act for 1990." The Bill, and the accompanying attached report, were approved by the Committee on 3 August 1989.

2. Unlike the Senate bill, there is no restriction on the use of the Reserve for Contingencies. You should note that funding for the SEO has been transferred to the Intelligence Community Staff budget.

3. The Committee adopted an amendment that would require the President to submit a report to Congress by 1 April on how intelligence activities related to narcotics trafficking can be integrated. I would appreciate your views on whether your Office or the IC staff should take responsibility for making sure this report is filed in a timely manner.
